

FREEDOM OF INFORMATION REQUEST REFERENCE NO: 0254/2009

In reply to your request for information under the Freedom of Information Act 2000, dated 01/05/2009

Your request was received as:

Under the Freedom of Information Act I seek a copy of your register of gifts and hospitality. Specifically I would like to obtain a complete record of all the gifts and hospitality offered to, or accepted by, police officers and staff at your force.

Please provide a copy of the register or its contents for the past two years. I would like to receive this information electronically.

The usual format for these registers is in an excel spreadsheet with the following field categories:

Date of gift/hospitality offered,

Date accepted

Recipient's name

Donor's name (individual and/or company)

Type of gift/hospitality

Value

If this request is too broad in any way then I would expect under your section 16 duty to provide advice and assistance that you will contact me to negotiate a way to make this request manageable. Such registers are common throughout the public and private sector, however, so I do not anticipate that it will be difficult to comply with this request.

If you don't hold the information but know where it is held (eg the Police Authority) then please can you inform me of this and if possible transfer the request to that public body.

The Freedom of Information Act 2000 (The Act) requires us to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published, and therefore in the public domain without caveat.

We have completed all searches within Cambridgeshire Constabulary and hereby enclose your response.

>>>The information you have requested is held in our Gifts and Hospitality Register. We have extracted from that system the details we hold that matches to your request. Your request however asks for the value of the items received. We are unable to provide this because it is not recorded in the system.

The information we have extracted for the calendar year 2007 is in the attachment below named, Full2007-data.pdf
